in cooperation with Emerald Lions Club

present

PORTRAIT PHOTOGRAPHY WORKSHOP

The workshop will start with a light hearted Lecture/Presentation in the morning in which many technical and creative aspects of People photography will be discussed, followed by a brief lunch break, (byo) and a 'hands on' workshop. Attendees are encouraged to bring their cameras and lenses and enjoy photographing a model on a location, learning light and metering techniques as well as lessons in posing and composition.

The workshop will be illustrated with many visual examples, a short field trip and is suitable to those working with either film or digital cameras.

Shelton Muller, professional portrait photographer brings to the workshop a wealth of experience as an instructor and photographic practitioner.

It is quite simply going to be a fun day!

Saturday, April 10th, 2010
11am to 3pm at Emerald Mechanics Hall
(Melways ref.127 f4)

Cost: \$25.00

For workshop bookings : 0419 326 930
